PETITION UNDER 37 CFR 1.137(b) FOR REVIVAL OF AN
APPLICATION FOR PATENT ABANDONED UNINTENTIONALLY

Sir:

The undersigned hereby petitions the Commissioner to revive, pursuant to 37 CFR 1.137(b), the patent application identified above. As set forth in more detail below, the Petitioner's failure to respond to an outstanding Office Action, prior to the statutory expiration date for responding, was unintentional.

The Petitioner respectfully submits it never intended to abandon the subject application. The failure to respond to the outstanding Office Action under 37 CFR §1.111 was a result of an anomaly in the Petitioner's docketing software wherein the due date for responding was not properly calculated, compounded by human error wherein an incorrect due date was entered manually. Once the error was identified, and it was determined that the deadline passed, a response was prepared

without delay and is submitted herewith. The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR §1.137(b) was unintentional.

Attached herewith is the Amendment under 37 CFR §1.111 in response to the outstanding Office Action dated November 17, 2005.

In view of the foregoing, the Petitioner hereby prays that the subject patent application be revived as having been unintentionally abandoned.

Please charge the Petition fee of \$750.00 to Deposit Account No. 19-0065. The Commissioner is hereby authorized to charge any additional fees which may be required to Deposit Account No. 19-0065.

Respectfully submitted,
